

From: O. William Asplund, President of the Utah State Poetry Society

Date: November 9, 2017

To: All members of the Utah State Poetry Society and prospective members.

Dear Friends: It is time to renew our UTSPS membership for the coming year. The period is open from now through January 5, 2018, if you wish to enter the 2018 contests for the member fee.

With your participation it will prove to be a wonderful year. (I am sponsoring a poetry contest in connection with your membership. When you send your membership in you can enclose a poem about a Holiday (any holiday) with no limitations as to length or previous publication or anything else. It makes the poem eligible for a cash prize. The three winners will receive prizes of 50, 30 and 20 dollars. The winners will be announced at our Board Meeting in February.)

We look forward to a wonderful year of poetry and fellowship.

Please send your membership application, check, and poem (if you so choose) to my address at:
